May 23, 2016

**Hon. Andrew T. Baxter, U.S. Magistrate Judge**  
Federal Building and U.S. Courthouse  
P.O. Box 7396  
Syracuse, NY 13261-7396

Case: *Rizzo v. Globalfoundries, U.S., Inc., et al.*  
6:15-CV-00557 (MAD)(ATB)

Reason: Letter Request and Reply to Don Henderson

Dear Judge Baxter,

Thank you for updating the Court Calendar. There may be the need for adjustments down the road. I am providing this letter / update along with a Reply to the Affidavit by Don Henderson. I have attempted to bullet this letter in ease of reading.

Update and status:

1. I have been seeking council and the primary issue that was noted by other firms is past action of WC Lawyer (Jillian Gordon) and past actions of P2LAW (Roxanne DeFrancesco). Council I have spoken with expressed that the case is of merit but either too large or congestive of time. I do have interest with a high power law firm and they may consider taking over the case after and I win the Motion to Dismiss, leaving all the hard work up to me. I will pursue this option after defeating the Defendant's Motion to Dismiss. Yet - if and when a firm arises - the Court will be notified.
2. Currently, I am having health issues and seeing doctors. There may be an operation involved. This may impact all schedules and timing. Health is a primary concern and needs to be addressed. Sorry, for the troubles but I will keep everyone posted.
3. On May 5, 2016 documentation was mailed in to WC as well as communications between a witness and me stating that the TOOL broke and that the Tool Owner found the break. This is in parallel to the air sample (minus other sample data) which states they were looking for the leak and the videos. I have asked the WC Court to protect the witness and I would assume that they have protocol for such.
4. Doctor Miloslavsky attorney submitted his credentials and they were outstanding - 17 pages long and provided his reference of two main journals. As discussed during the private teleconference with P2Law Dr. Miloslavsky was highly creditable. Deposition has not been scheduled.
5. Dr. Wang had to follow protocol due to hospital regulations from my understanding, it was harder for Dr. Wang due to him switching from prior employers and left the practice at which I receive my care from.
6. Defendants have been in touch with Dr. Salenger's attorney. Deposition is scheduled for July 18, 2016.
7. Deposition with Dr. Hodgman is scheduled, June 11, 2016. (Maybe impacted due to health).
8. Enclosed are doctors CV's.
9. Overall there are **many** journals which have been confirmed by treating doctors and are referenced in the Link and Causation Report. The science supports the claim and the Link and Causation Report expands the claim.

*US District Court, Northern District of New York, Rizzo v. GLOBALFOUNDRIES, U.S., Inc., et al.*

*6:15-CV-00557(MAD)(ATB)*

*Prose, Letter Request and Motion to Exceed 25 pages*

Timothy Rizzo, PE, 272 County Highway 107, Johnstown, New York 12095, 518-265-3561, rizzotj@hotmail.com

10. Court was provided a copy of M&K response. Enclosed is a Reply to the Affidavit and shows compelling contradictions.
11. I may request additional time in Reply Brief due to complexity of issues and traditional submission and that I do not have proper legal staff to assist me and if we want to consider it at this time I would respectfully ask for the Reply Brief time frame for me to be extended by 30 days for regularly submitted time frames.
12. Communications between Defendants and I are limited.
13. Received an Answer to the complaint on 5-20-16 from GF. Not sure what is to take place next. I thought it was to be a Motion to Dismiss later on.
14. I am emotionally upset and tired from the continual medical let alone the destruction that has taken place. I wish that the Defendants helped me when I was in need and the internal damage could have been stopped. My life has completely changed. There are no words I can express how emotionally upset I am and how my life has been destroyed. I can't get back my health and live a normal life or enjoy a life of quality. It's upsetting.

Thank you for understanding my concerns and allowing me this opportunity.

Respectfully submitted,

Timothy Rizzo  
518-265-3561

Lewis Brisbois Bisgaard & Smith, LLP

Encl: Questions & Concerns  
Doctor Cv's

Timothy Rizzo, PE, 272 County Highway 107, Johnstown, New York 12095, 518-265-3561, rizzotj@hotmail.com

### Questions & Concerns

1. Request to file the two chemical list with the Court as a DKT (chemical list by GF and chemical list from CIS). These are not trade secrets - as we all know - they are a list of chemicals and they hold value to the case in knowing that the Defendant attempted to debunk the facts by producing a false list. The list from the CIS is an OSHA mandated requirement. The release of a chemical exposure list was ordered by the Court in prior DKT but provided a list of chemicals in use. **Yes or No**
  - a. Or does the Court want me to file the two chemicals list in the Brief as an attachment? **Yes or No**
2. Shall the CV and Journals be included as an attachment to the Brief placed at the end of the writings with TOC similar to Link and Causation Report? **Yes or No**
3. Will depositions be filed as a DKT with the Court? **Yes or No**
4. Am I filing the Motion for Summary Judgment? Most recent order states Summary Judgments while we discussed a Motion to Dismiss in all past conversations. **Yes or No**
  - a. Is this in error and it was intended for a Motion to Dismiss? **Yes or No**
  - b. Or should I file for Summary Judgment and end the case? **Yes or No**
5. Does the Court want the Link and Causation Report submitted in full with appendix (digitally) and to be sealed? I feel it is of value to the Court. **Yes or No**
6. If required to depose the Defendants expert, shall I use the assistance of the Court to have this deposition take place. **Yes or No**
7. Are there to be documents recorded and entered during depositions? **Yes or No**
8. Does the Court need to hold a special hearing to talk to me about the case and complexity of issues and facts after we submit our Legal Briefs? **Yes or No**
9. Do I have to supply a reply to the Answer by the Defendant's? **Yes or No**
  - a. If yes, please extend at minimum 60 so I can try to get it completed and maintain my health.
10. Will this case be over with after the Judgment has been ruled? **Yes or No**
11. Can the Court Order GF to release the EPA/ Dec/ HAZMAT clean up on the toxic barrels they found and the newly discovered toxics which are being removed currently? These chemicals are important due to them being hydrocarbons and toxic to the human body. **Yes or No**
12. Are there any outstanding items I must complete for the Court?

**Curriculum Vitae**

**Date Prepared:** April 19, 2016

**Name:** Eli M. Miloslavsky, M.D.

**Office Address:** Rheumatology Unit  
Massachusetts General Hospital  
55 Fruit Street, Yawkey 2  
Boston MA 02114

**Work Phone:** (617) 726-7938

**Work Email:** Emiloslavsky@mgh.harvard.edu

**Work FAX:** (617) 643-1274

**Place of Birth:** Moscow, Russia

**Education**

1995-1999	B.A.	Economics and International Relations	Tufts University
2004-2008	M.D.		Mount Sinai School of Medicine

**Postdoctoral Training**

6/2008-6/2009	Internship	Internal Medicine	Massachusetts General Hospital
6/2009-6/2011	Residency	Internal Medicine	Massachusetts General Hospital
7/2011-6/2014	Clinical and Research Fellowship	Rheumatology	Massachusetts General Hospital
9/2012-6/2014	Research Fellowship	Medical Education Research	Harvard Medical School Academy
7/2014-6/2015	Rabkin Fellowship in Medical Education	Medical Education	Beth Israel Deaconess Medical Center

**Faculty Academic Appointments**

7/2014-	Instructor in Medicine	Medicine, Division of Rheumatology Allergy and Immunology	Harvard Medical School
---------	------------------------	---	------------------------

**Appointments at Hospitals/Affiliated Institutions**

7/2013- 6/2014	Graduate Assistant in Medicine	Medicine, Rheumatology Unit	Massachusetts General Hospital
7/2014-	Assistant in Medicine	Medicine, Rheumatology Unit	Massachusetts General Hospital

**Other Professional Positions**

1999-2000	Financial Analyst	General Electric Capital Corporation
2000-2001	Research Associate	Economists Incorporated
2001-2004	Research Associate	Public Policy Institute of California
2015-	E-consultant	RubiconMD

**Major Administrative Leadership Positions****Local**

2013-	Director of Curriculum Development and Facilitator Training, Department of Medicine Simulation Training Program	Massachusetts General Hospital
2014-2015	Core Faculty Member - Human Systems Rheumatology	Harvard Medical School
2014-	Subspecialty Education Coordinator - Rheumatology	Department of Medicine, Massachusetts General Hospital
2014-	Associate Clerkship Director, Advanced Core Medicine Clerkship	Harvard Medical School
2014-	Co-Director, Vasculitis and Glomerulonephritis Center	Massachusetts General Hospital
2015-	Clerkship Director, Rheumatology elective	Massachusetts General Hospital
2016-	Associate House Director, HMS Principle Clinical Experience	Massachusetts General Hospital

**Committee Service****Local**

2007-2008	Admissions Committee	Mount Sinai School of Medicine Member
2009-2011	Ambulatory Training Restructuring Committee, Department of Medicine	Massachusetts General Hospital Member
2009-2011	Executive Committee on Teaching and Education	Massachusetts General Hospital Member
2009-2011	Resident Quality and Safety Committee, Department of Medicine	Massachusetts General Hospital
2009-2010		Member
2010-2011		Co-Chair
2012-2013	Strategic Planning Education Workgroup	Massachusetts General Hospital Member
2013-	Professional Development Coaching Program, Department of Medicine	Massachusetts General Hospital Resident coach
2014-	Annual Teaching Retreat Planning Committee, Department of Medicine	Massachusetts General Hospital Member
2014-	Rheumatology Fellowship Program Selection Committee	Massachusetts General Hospital Member
2014-	Rheumatology Fellowship Program Program Evaluation Committee	Massachusetts General Hospital Member
2015-	Immunity in Defense and Disease Course Design Committee	Harvard Medical School Core Faculty Member, Rheumatology
2015-	Partners Committee on Education Subcommittee for Evaluation and Feedback	Partners Healthcare Member
2015-	Department of Medicine Education Council	Massachusetts General Hospital Member

**National and International**

2014-	Continuing Assessment, Review, and Evaluation (CARE) Group	American College of Rheumatology Question writer (2014-2015) Section Chair – Vasculitis (2015-current)
2014-	Annual Meeting Planning Committee	American College of Rheumatology Member

2015-	Annual Meeting Abstract Review Committee - Education	American College of Rheumatology Member
2015-	Annual Meeting Abstract Review Committee - Vasculitis	American College of Rheumatology Member

### **Professional Societies**

2008-	Massachusetts Medical Society	Member
2011-	American College of Rheumatology	Member

### **Honors and Prizes**

2008	Gold Humanism Honor Society	Mount Sinai School of Medicine	Patient care
2008	Alpha Omega Alpha	Mount Sinai School of Medicine	Academic achievement
2008	Senior Tutor Award	Mount Sinai School of Medicine	Teaching
2011	Partners in Excellence Award	Massachusetts General Hospital	Teaching
2011	Senior Resident Award for Excellence in Teaching	Department of Medicine, Massachusetts General Hospital	Teaching
2012	Fellow Award for Excellence in Teaching	Department of Medicine, Massachusetts General Hospital	Teaching
2013	Fellow Award for Excellence in Teaching	Department of Medicine, Massachusetts General Hospital	Teaching
2013	Distinguished Fellow Award	American College of Rheumatology	Research, teaching and service

2015	Stanley M. Wyman Teaching Award	Department of Medicine, Massachusetts General Hospital	Teaching
2015	Partners Medical Education Research Award	Partners Healthcare	Medical education research

## **Report of Funded and Unfunded Projects**

### **Funding Information**

#### **Current**

- 2014- Short-Course Glucocorticoids and Rituximab in ANCA-Associated Vasculitis (SCOUT) Investigator initiated trial - Genentech Corporation  
Co-Investigator (Principal Investigator - Dr. John Stone) (\$289,000 total budget)  
Investigator initiated single center pilot trial testing the hypothesis that glucocorticoids administered for 8 weeks in combination with rituximab are safe and effective in remission induction of ANCA associated vasculitis in a subgroup of patients.
- 2014- Development of the Glucocorticoid Toxicity Index  
Investigator initiated study - Genentech Corporation  
Co-Investigator (Principal Investigator - Dr. John Stone) (\$169,000 total budget)  
The objective of this project is to develop a standardized tool for measuring adverse events in clinical trials employing glucocorticoids in order to further understand the morbidity and economic costs associated with glucocorticoid use and the value of glucocorticoid-sparing agents. During the first phase we will perform a detailed analysis of the Rituximab in ANCA-associated Vasculitis (RAVE) trial in order to determine the relation of glucocorticoid toxicity to the total glucocorticoid dose received during the trial. In the second phase we will conduct a modified Delphi exercise among experts in the field utilizing existing literature and the results of the RAVE trial analysis with the goal of developing the Glucocorticoid Toxicity Index.
- 2014- Improving the Resident-Fellow Teaching Interaction Through the Fellow As Clinical Teacher (FACT) Curriculum  
Clinician Scholar Educator Award – Rheumatology Research Foundation  
Principal Investigator (\$50,000/year, renewable for up to 3 years)  
The goal of this project is to develop and implement a curriculum directed at improving fellows' teaching skills. The program will focus specifically on fellows' teaching skills as they pertain to teaching during the consult interaction.

### **Current Unfunded Projects**

- 2012- Co-Investigator / Rituximab versus Cyclophosphamide for ANCA-Associated Vasculitis (RAVE Trial)  
In collaboration with Dr. John Stone, the principal investigator of the RAVE trial, we are conducting the following analyses of the RAVE trial data.
- The natural history of non-severe relapses treated with glucocorticoids
  - Treatment response and serological versus clinicopathological classification in ANCA-associated vasculitis

- Clinical features of MPO-ANCA-positive patients with granulomatosis with polyangiitis

- 2013- Principal Investigator / Defining and enhancing the resident-fellow teaching interaction  
In collaboration with investigators at MGH, BWH and BIDMC we are examining the interaction between residents and fellows that occurs in the setting of inpatient consultation via the following projects:
- Survey study of fellows at MGH, BWH and BIDMC focused on evaluation of attitudes towards teaching among subspecialty fellows and assessment of fellows' teaching skills.
  - Randomized study of an intervention to enhance the resident-fellow teaching interaction on the MGH Bigelow medical service.
  - Pilot study of housestaff consult service evaluation.

## **Report of Local Teaching and Training**

### **Teaching of Students in Courses**

2012-2014	Introduction to the Professions 1 <sup>st</sup> year medical students	Harvard Medical School One to two full day simulation sessions
2012-2015	Human Systems – Rheumatology Introduction to Rheumatology; Infectious Arthritis; Evaluation of Aches and Pains 2nd year medical student lectures	Harvard Medical School Three lectures annually
2012-2015	Human Systems – Rheumatology 2nd year medical students	Harvard Medical School Developed and led three one-hour small groups annually
2012-2015	Patient Doctor II 2nd year medical students	Harvard Medical School Sixteen two-hour small group sessions annually
2013-2015	Patient Doctor II – Rheumatology skills session 2nd year medical students	Harvard Medical School Developed and led one three hour session annually
2013-	Principle Clinical Experience Approach to arthritis 3rd year medical students	Harvard Medical School Four one hour lectures annually
2014	Patient Doctor II 2nd year medical students	Harvard Medical School Objective Structured Clinical Examination (OSCE) examiner; one four hour session
2015-	Advanced Medicine Clerkship Physical finding rounds	Harvard Medical School Two one-hour sessions monthly

4<sup>th</sup> year students

2015-	Advanced Medicine Clerkship Advanced clinical reasoning 4 <sup>th</sup> year students	Harvard Medical School One one-hour sessions monthly
2015-	Immunity in Defense and Disease 1st year medical students	Harvard Medical School Core faculty - developed 4 two-hour sessions (Approach to joint pain; Approach to arthritis; Infectious arthritis; Approach to vasculitis) Led 8 two-hour sessions

**Formal Teaching of Residents, Clinical Fellows and Research Fellows (post-docs)**

2011 - 2012	Pearls in rheumatology Ambulatory Care Curriculum Conference Medicine residents	Massachusetts General Hospital Two one-hour lectures
2012	Management of gout Ambulatory Care Curriculum Conference Medicine residents	Massachusetts General Hospital Five half-hour lectures
2012	Procedures in rheumatology Ambulatory Care Curriculum Conference Medicine-Pediatrics residents	Massachusetts General Hospital One one-hour lecture
2012-	Fibromyalgia Ambulatory Care Curriculum Conference 2 <sup>nd</sup> and 3 <sup>rd</sup> year medicine residents	Massachusetts General Hospital Four one-hour lectures (every other year)
2013	Developing an effective interaction with housestaff Pulmonary Fellowship Summer Series 1 <sup>st</sup> year pulmonary/critical care fellows	Massachusetts General Hospital One one-hour lecture
2013-	Approach to mono and oligoarthritis Ambulatory Care Curriculum Conference 1 <sup>st</sup> year medicine residents	Massachusetts General Hospital Four one-hour lectures (every other year)
2013-	Approach to vasculitis in the outpatient setting Ambulatory Care Curriculum Conference 2 <sup>nd</sup> and 3 <sup>rd</sup> year medicine residents	Massachusetts General Hospital Four one-hour lectures (every other year)
2013-	Resident-report discussant Resident Report Internal medicine residents	Massachusetts General Hospital Two to four one-hour sessions annually

2013-	Topics in rheumatology Noon Conference, Department of Medicine Internal medicine residents	North Shore Medical Center Six one-hour lectures annually
2013-2014	Facilitating high-fidelity simulation Pulmonary Fellowship Summer Series 1 <sup>st</sup> year pulmonary/critical care fellows	Massachusetts General Hospital Two one-hour workshops
2013-	DOM Coaching Program Internal Medicine residents	Massachusetts General Hospital Coach three residents annually (four hours each)
2014-	Interpreting labs in rheumatology Noon Conference, Department of Medicine Internal Medicine residents	Massachusetts General Hospital One one-hour lecture annually
2014-	Simulation facilitator training Internal Medicine residents	Massachusetts General Hospital Six one-hour lectures annually
2014-	Lab interpretation Rheumatology Fellowship Summer Series Rheumatology fellows	Massachusetts General Hospital One-hour lecture annually
2014-	ASR Rheumatology Case Conference Internal Medicine residents	Massachusetts General Hospital One-hour lecture weekly
2014-	Improving fellows' teaching skills during consultation Rheumatology fellowship curriculum Rheumatology fellows	Massachusetts General Hospital  Two one-hour lectures annually
2014-	Improving fellows' teaching skills during consultation Pulmonary fellows	Massachusetts General Hospital  One-hour lecture annually
2014-	Improving fellows' teaching skills during consultation Pediatric fellows	Boston Children's Hospital  One ninety-minute lecture in 2014 and two ninety-minute lectures in 2015
2015	Improving fellows' teaching skills during consultation Endocrinology fellowship curriculum Endocrinology fellows	Massachusetts General Hospital  Two one-hour lectures
2015	Improving fellows' teaching skills during consultation	Massachusetts General Hospital

	Geriatric fellowship medical education retreat Geriatric fellows	Thirty minute lecture
2015	Improving fellows' teaching skills during consultation Pediatric fellowship orientation Pediatric fellows	Massachusetts General Hospital Thirty minute lecture
2015	Enhancing interactions with consultants Pediatrics residency orientation Pediatric interns	Boston Children's Hospital One-hour lecture
2015	Improving consultative medicine by enhancing the resident-fellow interaction Internal Medicine Residency Noon Conference Internal Medicine residents	Massachusetts General Hospital One-hour lecture
2015	Medications in the rheumatic diseases Rheumatology Fellowship Summer Series Rheumatology fellows	Massachusetts General Hospital One-hour lecture
2015-	Approach to myopathy Ambulatory Care Curriculum Conference 2 <sup>nd</sup> and 3 <sup>rd</sup> year medicine residents	Massachusetts General Hospital Four one-hour lectures (every other year)
2015-	Advanced shoulder and knee exam Ambulatory Care Curriculum Conference 2 <sup>nd</sup> and 3 <sup>rd</sup> year medicine residents	Massachusetts General Hospital One three-hour lecture
2015-	Rheumatology mimics Noon Conference, Department of Medicine Internal Medicine residents	Massachusetts General Hospital One 45 minute lecture
2016	Musculoskeletal procedure workshop Ambulatory Care Curriculum Conference 2 <sup>nd</sup> and 3 <sup>rd</sup> year medicine residents	Massachusetts General Hospital One three-hour lecture

#### **Clinical Supervisory and Training Responsibilities**

2013-	Rheumatology-Dermatology Clinic, MGH Rheumatology fellows and Internal Medicine residents	Precept two clinical sessions monthly
2013-	Principle Clinical Experience, Harvard Medical School 3 <sup>rd</sup> year medical students	Precept four clinical sessions monthly eight months per year

2014-	Rheumatology Ambulatory Subspecialty Rotation, MGH Internal medicine residents	Precept two residents during one clinical session weekly
2015-	Rheumatology Fellowship Program Ambulatory precepting Rheumatology fellows	Precept two clinical sessions monthly
2015-	Rheumatology Consultation Service Inpatient precepting Rheumatology fellows	Four weeks annually
2015-	Bigelow Service Attending Inpatient precepting Internal medicine residents	Four weeks annually

**Formal Teaching of Peers (e.g., CME and other continuing education courses)**

2013-2014	Cases from the MGH Advances in Rheumatology Course	Harvard Medical School, Massachusetts General Hospital, Brigham and Women's Hospital
2014	Approach to the patient with gout Current Trends in Medicine: Multidisciplinary Conference - Harvard Medical School / IPEMED	Harvard Medical School
2015	Approach to vasculitis Current Trends in Medicine: Multidisciplinary Conference - Harvard Medical School / IPEMED	Harvard Medical School
2016	Gout update Brigham Rheumatology Board Review	Brigham and Women's Hospital
2016	Diagnosis and Management of ANCA-associated vasculitis Medscape roundtable moderator	Medscape

## CURRICULUM VITAE

## Page V. Salenger, M.D.

---

**EXPERIENCE**

<b>Director of Nephrology</b> Ellis Hospital, Schenectady, NY	2008 – 2011
<b>Medical Director</b> Rubin Dialysis Center, Clifton Park, NY	2007 – Present
<b>Physician Partner</b> Capital District Renal Physicians, Albany, NY	1997 – Present
<b>Physician</b> New York State Athletic Commission	1998 – Present
<b>Nephrologist/Internist</b> Syracuse, NY	1996 – 1997
<b>Nephrologist/Internist</b> Geneva Medical Group, Geneva, NY	1995 – 1996
<b>Research Nephrology Fellowship</b> SUNY Health Science Center, Syracuse, NY	1993 – 1995
<b>Clinical Nephrology Fellowship</b> Boston University Medical Center, Boston, MA	1992 – 1993
<b>Staff Physician</b> Convenient Family Health Care, Liverpool, NY	1991 – 1992
<b>Residency &amp; Internship in Internal Medicine</b> SUNY Health Science Center, Syracuse, NY	1988 – 1991

**LICENSURE**

New York State

**CERTIFICATION**

Board Certified, Nephrology	1994, 2001
Board Certified, Internal Medicine	1991, 2001

**EDUCATION**

M.D., SUNY Health Science Center, Syracuse, NY	1988
B.A. Chemistry, magna cum laude	
Case Western Reserve University, Cleveland, OH	1984
Hebrew University, Jerusalem, Israel	1982 – 1983

Curriculum Vitae  
Page V. Salenger

Page II

## RESEARCH

Institute For Society, Ethics & Life Sciences, Hasting-on-Hudson, NY	
Student Fellowship on Tay Sachs Disease	1983
SUNY Health Science Center, Syracuse, NY	
Molecular Genetics of X-linked Nephrolithiasis	1993 - 1995

## MEMBERSHIPS

American Medical Association  
American College of Physicians  
Diplomate, National Board of Medical Examiners  
Renal Physicians Association  
American Physicians Fellowship, National Board Representative  
Albany County Medical Society

## HONORS

Phi Beta Kappa  
Mortar Board  
Iota Sigma Pi  
Western Reserve College Scholar & Dean's List  
Samuel Miller Scholarship For Study Abroad  
William Grauer Award For Architecture & City Design  
Cleveland Jewish Federation Scholarship For Community service Abroad

## ACTIVITIES

<b>Medical</b>	
Clinical Rotation Track Representative	1986 - 1987
Class of 1988 Vice President	1984 - 1985
Syracuse Rape Crisis Center	1987 - 1988
Volunteer Physician for Empire State Games, Syracuse, NY	1994
Participant in Gibco Life Technologies cDNA Library Techniques Seminar	January 17 - 21, 1994
<b>College</b>	
Varsity Basketball & Volleyball	1980 - 1984
Office of University Communications Public Relations Representative	1980 - 1984

Curriculum Vitae

## LECTURES

"The Role of the Medical Examiner in Rape Cases" Rape Crisis Center, Syracuse, NY	December 1987
"Erythropoietin" Chairman's Rounds, SUNY HSC, Syracuse, NY	March 21, 1991
"Update on Recombinant Erythropoietin" Division of Nephrology, Dept. of Medicine SUNY HSC Clinical Conference	April 30, 1991
"The Healthy Kidney Owner's Guide" Clay Medical Center, Liverpool, NY	November 6, 1991
"Cell Adhesion Molecules" SUNY HSC Clinical Conference	December 28, 1991
"Renal Disease in Pregnancy" SUNY HSC Clinical Conference	March 15, 1994
"Clinical Approach to Renal Disease/Hypertension in Pregnancy" SUNY HSC Housestaff Conference	August 30, 1994
"Current Progress in the Attempt to Identify the Gene for X-Linked Nephrolithiasis" Renal/Metabolism Research Conference	November 4, 1994
"Pharmacologic Treatment of Diabetic Nephropathy" Renal Conference	May 2, 1995
"Prophylaxis of Preeclampsia"	December 12, 1995
"Exercise and the Kidney – A Boxer's Perspective"	June 5, 2001
"Health Link: Hypertension" Television Interview, WMHT, Schenectady, NY	February 8, 2005
"Renal Consultation in Hospitalized Patients" Grand Rounds at Ellis Hospital, Schenectady, NY	May 2010
"ESRD in the Frail Elderly" Grand Rounds at Ellis Hospital, Schenectady, NY	November 2011

re: Anthony Rizzo regarding medical opinion letter

active

Certifications

Advanced Trauma Life Support      Instructor      Dec. 1989 to present

Advanced Hazmat Life Support Instructor      July 2004 to present

Professional Organizations

American Academy of Clinical Toxicology

American College of Medical Toxicology

Academic Appointments

7/90 - 5/93      College of Physicians and Surgeons  
Columbia University, NY, NY  
Assistant Clinical Professor of Medicine

7/93 - 7/95      University of Pittsburgh Medical Center  
Pittsburgh, PA  
Instructor in Medicine, Department of Medicine

2/97- 6/97      University of Pittsburgh Medical Center  
Pittsburgh, PA  
Instructor in Emergency Medicine

10/98- present      College of Physicians and Surgeons  
Columbia University, NY, NY  
Assistant Clinical Professor of Medicine (MIBH)

2001 to present      SUNY Upstate Medical University, Clinical Assistant Professor,  
Department of Emergency Medicine, Upstate New York Poison  
Center, Syracuse

5/2003- 5/2005      University of Rochester Medical Center, Rochester, NY  
and      Visiting Assistant Professor of Medicine (5/03-5/04)  
10/2008 to      Adjunct Assistant Professor of Medicine (5/04-5/05)  
01/2011      Clinical Assistant Professor of Emergency Medicine (10/08-2/11)

Hospital Appointments

6/88 - 5/93      Attending Physician, Departments of  
Emergency Medicine and Internal Medicine  
The Mary Imogene Bassett Hospital,

Cooperstown, NY 13326

7/93 - 7/95	Attending Physician, Division of Emergency Medicine University of Pittsburgh Medical Center Pittsburgh, PA
9/95- 1/97	Attending Physician, Department of Emergency Medicine St. Joseph Hospital Bangor, ME
2/97- 6/97	Attending Physician, Medical Toxicology, Emergency Medicine University of Pittsburgh Medical Center Pittsburgh, PA (* continued in same capacity on per diem basis, 7,8/97)
5/97-9/97	Attending Physician, Emergency Medicine Emergency Resource Management Inc. 200 Lothrop St., Suite 400, McKee Place, Pittsburgh, PA 15213
2/98 to present	Attending Physician, Emergency Medicine Bassett Medical Center, Cooperstown, NY
11/2001 to present	Associate Medical Staff, Medical Toxicology Consultant, Department of Emergency Medicine, University Hospital SUNY Upstate Medical University 750 Adams St., Syracuse, NY 13210

Other Activities

02/1998- 03/2008	Director Medical Education, Emergency Medicine
04/2008- 12/2012	Co-Director, Medical Education, Emergency Medicine Department of Emergency and Trauma Services Bassett Medical Center, Cooperstown, NY
June 1999	Managing Editor, Plant and Mushroom Toxicology emedicine.com (not currently active)
2002 to present	CQI Medical Director, Upstate New York Poison Center, Syracuse, NY
1998 to 2014	Institutional Coordinating Committee for Transitional Year, Bassett Medical Center, Cooperstown, NY

1998 to present	Graduate Medical Education Committee, Bassett Medical Center
2003 to present	Pharmacy and Therapeutics Committee, Bassett Medical Center
2003 to present	Professional Review Committee, Bassett Medical Center
2007- present	Reviewer, Journal of Medical Toxicology
Sept. 2011 - present	Editorial Board Member, Journal of Medical Toxicology Co-section Editor, Case Reports, 2014- present
10/08- 12/2010	Medical Toxicology Consultant, Ruth Lawrence Poison Center, University Rochester Medical Center, Rochester, NY
Dec 2010- present	Program Director, Medical Toxicology Fellowship, Upstate Medical University, Syracuse, NY
Sept. 2012- present	Medical Director, Garrattsville, NY Volunteer Emergency Squad
